

Involvement in your study

You wanna get involved or you're looking for people who share your interests? Then check out this page:

- [Registered associations at the Uni Potsdam](#)

Of you can get involved at the institute, in the student council and the FSR, the faculty or other university-politics related organizations (Stupa,Asta...). A good overview of all university-political committees can be found [here](#). That's always a hit in CVs and can especially help you make a good impression with scholarships.

Oftentimes you'll find offers in the mailing list too.
