

Old exams

Here you can find past exams, as well as scripts from maths and physics. To get access to this collection, you have to be registered with your account or use the access data we provide you in our rooms.

The student council can not send you those by mail. If you don't have them on you, just ask a fellow student or come to us.

We also possess a small collection of exam protocols from oral physics exams. These are in our office in Golm and you can look at them there. When you're interested in these protocols, just write us a mail.

Whenever you write an exam, please don't forget to mail the exam to us, so we can add it to our collection. [FSR](#).
