

Studies

What exactly do we do in Potsdam except enjoy all the culinary dishes in the [mensa](#) and waste our time as *lazy* students? We study! And with all these things concerning studying, this part of the Wiki is supposed to help you navigate in this Jungle called maths/physics studies.

All the questions that are not answered by our [list of f.a.q.](#), you can contact the [student council](#). Maybe others have the same problem and can help you and we can add this problem to this part of the site.
