# Tasks of the Student Council

Active in student self-administration bodies

Members of the university's committees

Management of learning spaces of the student council

**Volunteery work for YOU and OUR University**

Contact person for problems during studies

always in exchange with student councils at other universities

Event organiser

Helping to shape university policy

# Why volunteer?

---

Because I want to represent my fellow students within the subject committees!

Because I want to push ahead with my own projects!

Because I want to get to know democratic processes!

Because I want to help first-year students get started with their studies!

Because I want there to be student life and I want to organise parties and games nights!

Because I want to further expand student freedom!

Meet new people!

Because I want to make contacts in the maths or physics department that will help me in my studies!

Because I want to learn about organising parties, trips, events and time management!

Fachschaftsrat (FSR) (Student Council)

- + Associates of the Student Council
- + Year representatives (only Bachelor)
- + Students active in committees
- + ~1000 Math and Physics Students

-----  
= DIE FACHSCHAFT (We all)
