FSR Mailing list

I will send the link into the whatsapp group chat later

Fachschaftsrat (FSR) (Student Council)

- + Associates of the Student Council
- + Year representatives (only Bachelor)
- + Students active in committees
- + ~1000 Math and Physics Students

= DIE FACHSCHAFT (We all)

Why volunteer?

Because I want to represent my fellow students within the subject committees!

Because I want to push ahead with my own projects!

Because I want to get to know democratic processes!

Because I want to help first-year students get started with their studies!

Because I want there to be student life and I want to organise parties and games nights!

Because I want to further expand student freedom!

Meet new people!

Because I want to make contacts in the maths or physics department that will help me in my studies!

Because I want to learn about organising parties, trips, events and time management!
